**FARMINGTON METROPOLITAN PLANNING ORGANIZATION
Agenda Item**

Subject:	Access Management
Prepared by:	Joe Delmagori, MPO Planner
Date:	January 16, 2008

BACKGROUND or PREVIOUS WORK

- Access Management policies have been finalized with the Technical Committee.
- Eight road classifications and their respective definitions, functions, and purposes have been completed.
- Ongoing development of standards and objectives to support the policies.

CURRENT WORK

- The Technical Committee developed typical road sections for urban classifications on January 14. Urban road sections show the various components of full build-out.
- Rural road sections will be discussed and developed on January 24.¹

ANTICIPATED WORK

- Development of standard driveway and intersection spacing, corner clearance, and speed limit ranges.
- Access management standards for medians.

BACKUP MATERIAL

- A summary of road section data collected from existing NMDOT and entity documents that also shows revised dimensions for the urban road sections.
- Rural road sections and frontage road section for review.

RECOMMENDATION

- It is recommended that the Technical Committee review and revise typical road sections for access management.

¹ Road Section diagrams are available at the MPO Office, 100 W. Broadway, Farmington, New Mexico.
